

December 1st

A day to pray

Churches across NWBA are invited to come together to make December 1st 2020 a day of prayer. You can encourage individual church members to spend some time in intentional prayer, or perhaps arrange a prayer gathering using an online platform. Kath Dodd will also be hosting a number of prayer events during the day which you can access directly or download for use in your own context. **However you join in - let's work together to make December 1st a day of prayer.**

Pray for our nations and our world

As the Covid-19 pandemic remains a devastating threat, lockdown ends in England, and plans are unveiled for ongoing restrictions and regulations, pray for the wellbeing of all people.

Pray for ourselves

In these uncertain times, pray that we might live as a people of hope, bearing one another's burdens, seeking God and led by the Spirit.

Pray for our communities

Give God thanks for all those who serve our communities and pray for those who are vulnerable, lonely and in need.

Pray for our churches

As we journey through the season of Advent and beyond, pray that we might remain faithful to our calling and be bound together in mission and service to God.
