Networking for the spouses of Baptists in ministry, mission and training

What is Thrive?

Thrive is an initiative to enable the setting up of networks among ministers' spouses. It aims to promote growth in mission and ministry in all the areas in which we, as spouses, serve God - home and church life, job, career and other tasks or ways of using our unique talents.

Who is it for?

Our intention is to include all ministers' spouses - of those in ministry, mission or training, and those who have retired or been widowed.

We believe that, because of God's grace, everyone has something to contribute, so that we can be encouraged and inspired by one another.

What are the plans?

Conference 2019

MOVING FORWARD

Speaker - Rev Rupert Lazar

Dates: October 11th-13th, 2019

at Kings Park Conference Centre, Northampton

After a memorable Conference in October 2017, we are looking forward to a feast of teaching, sharing and friendship in 2019. Booking forms available soon.

Networking

... spur one another on, towards
love and good deeds.

(Hebrews 10 : 23-25)

We are networking on social media, with a public Facebook page, "Thrive UK Baptist Networks" and some closed confidential groups where you, can share prayer requests or discuss sensitive issues.

In addition we plan a telephone and email prayer chain - at present we are recruiting those who will pray for others.

PLANT SHARE GROW
FLOURISH
THRIVE

We want to encourage the forming of groups where spouses will connect, share and grow together. While many of these will be locally based, others may cover particular interests, talents or situations. The likelihood is that you are already involved in networking of different sorts, whether with a prayer partner or with a group of like-minded individuals, but it is sometimes encouraging to talk with those who share with you the challenges and blessings of ministry life.

How can I be part of this?

1. Please pray for us as we prepare for the Conference and as we take this new initiative forward.
2. We may already have your contact details but if not, please fill in the form that came with this leaflet or contact us at the email address below. Then we can send you details of the Conference and our other plans.
3. If you know of other ministers' spouses who might be interested in Thrive, please give them our email address so that they can contact us for more information.
4. If you are aware of spouses groups in your area, please tell us about them (either Baptist or interdenominational). It will help us to see what may be needed where.
5. If you are interested in working as part of our Prayer Chain to pray for other spouses, please email us.

Finally if you have any suggestions relating to Thrive please do get in touch with us.
