

# Ready for Summer?

Summertime is here! And even with the famously unpredictable British weather it's time to pull out your flip-flops and don your shades. Pop into any local store, and by the time you've bought a couple of tubes of sunscreen and all those other "summer essentials" you can go through £20-£30 in no time. And if you can't find last year's sunglasses, don't be surprised if you end up spending the same again on a new pair.

Why shouldn't we make the most of summer? And it's certainly important that we protect ourselves properly. All we're asking is that perhaps you make supporting mission in the UK a priority too. A regular donation to Home Mission of only £5 a month can make a real difference to the mission of local churches in NWBA. If you can spare a fiver a month can we count you in? Please visit our website to find out more.
