NWBA
North Western
Baptist Association

We are delighted to invite all ministers of NWBA churches to our Ministers' Conference, taking place on 3-5th March 2027. We hope that churches and ministers alike will recognise the importance of this event as it seeks to combine opportunities for reflection and relaxation with various aspects of teaching and ministerial development.

Conferences of this nature are vital to sustaining effective ministry. We hope that churches will want to invest in their minister by meeting the cost of attendance. We are happy to write to church treasurers in support of this point, IF REQUESTED. If you want to attend but are prevented by financial circumstances please contact Jane Henderson at the NWBA office in confidence.

For the first time in 2027 we will be meeting at Yarnfield Park Training & Conference Centre, Stone, ST15 0NL
